

## IOWA PARADE/CAMPAIGN SHIRTS

Each year at national convention, the Department of Iowa marches as a group in the convention parade. We have developed a shirt for Dave Rehbein's campaign for National Commander and will wear the shirt for the convention parade in Phoenix.

The shirt was designed so that it was not campaign specific. Therefore, we will use the same shirt for future national convention parades.

There is a possibility that the parade in Phoenix may not be a traditional convention parade. However, we will wear the shirts for any activities held in lieu of the parade. The shirts will also be used for campaign activities while at national convention.

If you have any questions, please contact Mike Wanser at (712) 792-9021

All shirt orders must be received no later than June 6, 2008. All shirts will be delivered at Department Convention in Waterloo. If you are unable to pick up your shirt at Department Convention, please make arrangements for someone to pick it up for you.
