

## Prominent Legionnaire Biographical Information

Dear Legionnaire:

National Headquarters seeks for its permanent historical files accurate biographical information concerning members of The American Legion who have contributed to the success of the organization, especially those who have been at any time prominent in national and/or department activities.

The attached questionnaire is being sent to those whose names are on national and department records having filled certain official positions. Service to The American Legion is the sole reason for inclusion in the collection, but non-Legion activities should also be mentioned in filling out the questionnaire.

It is hoped that everything of interest in your military experience will also be noted, as well as your participation in the public life of your community, and in the work of The American Legion.

Sincerely,

A handwritten signature in black ink, appearing to read 'Daniel S. Wheeler', with a long horizontal flourish extending to the right.

DANIEL S. WHEELER  
National Adjutant
