## **DISTRICT FALL CONFERENCES 2025**

### **NEW NATIONAL COMMANDER**

Dan K. Wiley was elected national commander of The American Legion on August 28, 2025, in Tampa, during the 106th National Convention.

As national commander, Wiley is a strong advocate for The American Legion's Be the One mission to prevent veteran suicide. He emphasizes inclusivity in the American Legion Family through the theme, Better Together!

For more information, visit: <https://www.legion.org/about/leadership/nationalcommander>

### **NATIONAL COMMANDER'S PIN INCENTIVE PROGRAM**

American Legion National Commander Dan K. Wiley will award his national commander Be the One membership incentive pin to any Legionnaire who obtains two new members into The American Legion.

A new member is any eligible person joining for the 2026 membership year who was not a member of The American Legion during the 2025 membership year. Transfers do not count as new members.

Each member listed must be eligible for membership in The American Legion. New Auxiliary members and Sons of The American Legion members do not count toward this incentive. Forward names of Sons of The American Legion members or Auxiliary members to your squadron or unit for use in their respective incentive programs.

Only one coin will be awarded per individual. Upon receipt, American Legion National membership staff will confirm the names in the national database and mail the coin directly to the person who earned it.

<https://www.legion.org/about/leadership/national-commander/national-commanders-incentive-program>

### **100% AMERICAN LEGION FAMILY RIBBON**

American Legion National Commander Dan K. Wiley will award his 100% American Legion Family Ribbon to any American Legion Family that achieves 100 percent membership by the 2026 100% membership target date. For this award, the Legion Family is defined as a post and/or any combination of an Auxiliary unit or Sons squadron. Each must achieve 100% membership to qualify for the award.

<https://www.legion.org/about/leadership/national-commander/100-american-legion-family-ribbon>

### **NATIONAL COMMANDER'S 103% MEMBERSHIP AWARD**

American Legion National Commander Dan K. Wiley will award his Be the One membership incentive pin to any post commander, district commander, county commander, division commander, department commander or membership chairman who achieves 103% of their assigned membership goal for 2026. Coins will be mailed directly to the recipient unless otherwise stated.

<https://www.legion.org/about/leadership/national-commander/103-percent-membership-award>

### **POST EXCELLENCE AWARD**

To qualify for the American Legion's Post Excellence Award, a post is required to achieve excellence in four areas: membership, submission of the Consolidated Post Report (CPR), attaining a 90% renewal rate, and community activity.

The purpose of this award is membership growth, exposure of American Legion values to the community, and increased visibility of the American Legion Family through service projects. A post achieving this qualification will have had numerous post members involved in planning and achieving these goals. Many posts are already active in these areas and will qualify without extra effort. Others, however, will need to increase their efforts in one or more areas to qualify for the award.

## THE AMERICAN LEGION OF IOWA - DEPARTMENT HEADQUARTERS REPORT DISTRICT FALL CONFERENCES 2025

The standard to be achieved in each area is as follows:

**Membership:** The post must attain at least 103% of their membership goal. At least one post officer attends district meetings.

**Consolidated Post Report:** CPRs must be submitted by July 1. The American Legion's federal charter requires the submission of an annual report to Congress on activities for the year. MyLegion.org has made it simple for a post to submit its CPR in a timely manner.

**90% Renewal Rate:** The post must renew at least 90% of their members that were on the 2024 roster.

**Community Activity:** The post must conduct an event that connects the local community with The American Legion post. The objective is to open your doors, welcome the community in, and educate them on what The American Legion is all about and how the post is an asset to the community. Posts do not need to have a physical building to accomplish this. This activity can be held in a park, a community center, or anywhere the post can welcome and interact with the local community.

**Certification for the award:** The district commander responsible for the post will certify a post as having achieved the four specified criteria. The district commander will submit a list of posts meeting the criteria to department headquarters. That list should include the post name, phone number, address and commander's name. If possible, accompany the last two criteria with copies of press releases submitted to the local media about the projects to show that the projects were not only accomplished but that an attempt was made to enhance the image of The American Legion through local media. The copy submitted should include a date and time stamp showing receipt by the media outlet.

The department adjutant will transmit the information.

<https://www.legion.org/about/leadership/national-commander/post-excellence-award>

### **FLAG REWARDS PROGRAM**

Your Post can receive a 10¢ credit for each dollar spent on the purchase of American Flags from Emblem Sales. This includes purchases made by your Post, as well as by members, friends, neighbors, schools, and businesses that choose to sponsor your Post and buy their flags from The American Legion.

Your Post can ask potential sponsors to purchase their flags from American Legion Emblem Sales or the Post can buy and re-sell the flags. If a Sponsor purchases an American Flag from Emblem Sales, they will need to request that their purchase benefit their local Post and indicate the Post #. Once a sponsor chooses a local Post, all future purchases will automatically benefit the Post.

Points earned for the calendar year will be credited to your Post account once a year, by February 1 of the following year. For example, 2025 points earned will be available on February 1, 2026, and may then be used on any future transactions. Your Post will have 11 months, February 1 to December 31, to spend its points, which expire on December 31 each year.

Posts have taken a copy of the Flag Rewards sign-up to their city councils, schools, county, and state officials, giving them the opportunity to purchase US-made flags directly through The American Legion Emblem Sales – many times at substantial savings from what they were currently paying. The sales result in a credit for the local American Legion Post, that could be spent on items from American Legion Emblem Sales – Honor Guard uniforms, supplies, incentives, awards – anything the Post desires.

Information and registration for the program are available online at:

[http://emblem.legion.org/flag\\_rewards.asp](http://emblem.legion.org/flag_rewards.asp).
